

## BILL PAYING AGREEMENT and DISCLOSURE

I/we have downloaded and read or read the Online Bill Payment Fee Schedule provided and by using this service, I/we agree to be bound by such fees or costs. First Class FCU reserves the right to change or modify fees at any time and agrees to notify you of any such changes.

### THIS IS YOUR BILL PAYING AGREEMENT WITH FIRST CLASS FCU.

You may use First Class FCU'S bill paying service, online bill pay, to direct First Class FCU to make payments from your designated checking account to the "Payees" you choose in accordance with this agreement. The terms and conditions of this agreement are in addition to the account agreements, disclosures and other documents in effect from time to time governing your account (The Account Rules).

"You" or "Your" means each person who is authorized to use the service. "Payee" means anyone, including the Credit Union, you designate and the Credit Union accepts as a "Payee".

### HOW TO SET UP PAYEES/PAYMENTS

- If you want to add a new "PAYEE", select the "Payee" tab located in your Bill Pay application.
- You may add a new fixed payment to a "Payee" by accessing the service and entering the appropriate information. Most other additions, deletions, or changes can be made in writing or by using the service.
- First Class FCU reserves the right to refuse the designation of a "Payee" for any reason.
- You may pay any "Payee" within the United States (including U.S. territories and APO's).
- First Class FCU is not responsible for payments that cannot be made due to incomplete, incorrect, or outdated information.

### THE BILL PAYING PROCESS

Single Payments – a single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's process date, provided the payment is submitted prior to the daily cut-off time on that date.

The daily cut-off time is currently 2:00 PM EST.

A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's process date, the payment will be processed on the first business day following the designated process date.

Recurring Payments - When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a process date is calculated for the next occurrence of the payment. If the calculated process date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment's "Pay Before" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date.
- If the recurring payment's "Pay After" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated process date, then the last calendar day of that month is used as the calculated process date.

### SINGLE AND RECURRING PAYMENTS

*The system will calculate the Estimated Arrival Date of your payment. This is only an estimate, please allow ample time for your payments to reach your "Payees".*

### CANCELING A PAYMENT

A bill payment can be changed or canceled, any time prior to the cutoff time on the scheduled process date.
